Hello,

Onvia is submitting a public records request to City of Los Angeles. Can you please provide contract award information for the following solicitation in the blank cells below and also provide any bid result/tab information for this bid?

Onvia ID	Project Name	Bid Number	Submittal Date	Contract / Award Number	Awarded Vendor Name, Address, Phone	Award Amount	Award Date	Start Date	End Date	Contract Terms (ex., 2 year contract with 3 renewals)	Contract Document (link or attach)
BID:23422565	Membrane Filtration System Package Supplier		11/16/2015 4:00:00 PM								

Please confirm receipt of this request and let me know in advance if a fee will be required. If this request was misrouted, please forward to the correct contact person and reply to this communication with the appropriate contact information.

I may periodically reach out to you and your departments with similar requests for information. As an alternative to these requests, we are offering government agencies complementary access to Onvia's database of over 1.5 million bids, RFPs, specifications and intergovernmental contracts. We're requesting that in exchange for access to Onvia's comprehensive bid and contract library, partnering agencies send a list of awarded bids and their corresponding bid results at a mutually agreeable frequency.

For additional details and to learn more please visit [Onvia Exchange](#) or feel free to email me any questions.

Regards,
Jacqueline Sessa
